,,,

In G.O. No. Rt. 139 Development Department dated 17-6-43 communicated in your endorsement C.1.1063/42 (Anant) dated 19-6-43 an extent of 2 acres 12 cents in Survey No.463/B in Bellary District, Bellary village, selected for groundnut godown construction was ~~xxx~~ approved by Government. When the Collector was addressed to take up acquisition proceedings he has intimated to me in his C.1450/43 A7 dated 24-9-43 that a pathway (rastha) leading to the other portions of the land adjoining the one proposed for acquisition, will be blocked and that the objection should be considered if reasonable. Accordingly, the Tahsildar, Bellary and my supervisor from Tadpatri visited the area and after inspection and enquiry have proposed to acquire a total area of 2 acres and 81 cents in the same survey No.viz. 463-B allowing a rastha (pathway) at the east end. A sketch of the now proposed land is submitted and similar copies and statements furnished to the Tahsildar for

further action in the matter.

2. Government may kindly be addressed for approval and sanction of the extra land proposed for acquisition at that centre.
